- The Employee Disqualification Registry maintained by the Missouri Department of Mental Health
- Child care facility licensing records maintained by the Missouri Department of Health and Senior Services

WHO HAS TO REGISTER?

Any person hired on or after January 1, 2001, as a child care worker or elder care worker, hired on or after January 1, 2002, as a personal care worker, or hired on or after January 1, 2009, as a mental health worker, as provided in §210.906, RSMo, is required to make application for registration in the Family Care Safety Registry within fifteen (15) days of the beginning of employment. Such person who fails to submit a completed registration form to the DHSS without good cause, as determined by the department, is guilty of a class B misdemeanor. Employees and volunteers from non-state and/or federally regulated entities are NOT REQUIRED to register with the FCSR.

HOW DO I COMPLETE THE REGISTRATION FORM?

If you checked Long Term Care / Personal Care, please *also* make one or more selections from the column on the right for subcategory.

<u>Social Security Number</u> – You must provide your Social Security number pursuant to 19CSR 30-80.030(1). This identifying information, including Social Security number, will be used for internal identification purposes and to conduct background screenings for the resource information listed in paragraph one above.
